Premium & Enterprise Customer Care Standard Operating Procedures

Document Classification: Internal Enterprise Policy & Standard Operating Procedure

Effective Date: January 1, 2026 | **Version:** 2.4

1. Special Handling Rules

Premium and Enterprise tier accounts represent critical revenue relationships. Orders from these accounts receive priority pick-and-pack routing and dedicated support oversight.

2. Alternative Product Substitution Policy

If an ordered SKU is out of stock or delayed by more than 8 hours for a Premium or Enterprise account, operations is authorized to substitute an equivalent or higher-specification product at zero additional cost to the customer, subject to manager approval.

3. Proactive Outreach Mandate

Never allow a Premium or Enterprise customer to discover an order delay on their own. Operations must issue proactive notifications via account managers at least 12 hours prior to any expected delivery variance.
